

# Rescheduled Outage for Brinnon Area on November 15<sup>th</sup>, 2014

Bonneville Power Administration (BPA) has notified PUD 1 that they are scheduling two outages in the Brinnon area to replace their switch that feeds power to the PUD 1 Duckabush Substation.

The first outage will occur overnight from **11:59 p.m. on Friday, November 14<sup>th</sup> and continue until 6:00 a.m. on Saturday, November 15<sup>th</sup>.**

**A second shorter outage** is tentatively scheduled to occur on **Thursday, November 20<sup>th</sup>** from **4:00 a.m. to 5:30 a.m.** During this outage they will make the final connections to the new switch.

While the first outage has been confirmed by BPA, **the second outage has not yet been set in stone**; however the District wanted to make customers aware of the tentative date as soon as possible.

**The PUD asks that all customers impacted by these outages to check the PUD website starting November 17<sup>th</sup> to confirm the second outage date and time at:**

**[www.mason-pud1.org](http://www.mason-pud1.org)**

PUD 1 is taking advantage of BPA's outages to perform maintenance on the Duckabush Substation and replace some poles without having to have an additional outage to perform these needed tasks.

The PUD also announces scheduled outages through their email notification list, as well as updates on their Facebook & Twitter accounts. Please email Kristin Masteller at **kristinm@mason-pud1.org** to be added to the email notification list.
