Agency File Number

MA17-013

Description of Proposal

This is a financial, policy, operational, maintenance and organizational planning document. This planning document goes over the consolidation feasibility of Mason PUD 1 Union water systems (Union, Union Ridge, Highland Park, Vuecrest, Alderbrook Water Co. and Hood Canal water systems).

This planning document will allow Mason County PUD 1 to move forward with consolidating these water systems over the next 20 years. The plan identifies improvements necessary to meet projected water demands within the consolidated water system service area. Planned projects include interties to interconnect the systems and more reliably provide water service to this area.

Proponent

Mason County PUD No. 1  
N. 21971 Hwy. 101  
Shelton Washington 98584

Location of Proposal

The Union Consolidated Regional Water System is located on the south side of Hood Canal near the community of Union in Mason County.

Lead Agency

Mason County PUD No. 1, the lead agency for this proposal, has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This Determination of Non-significance (DNS) is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for fourteen (14) days from the date below.

A Copy of the Environmental Check list is available at:

- Mason County PUD No. 1 offices, N. 21971 Hwy. 101, Shelton, Washington 98584
