

ENERGY EQUITY REBATE PROGRAM

MASON COUNTY PUD 1

The PUD received a grant from Washington State Department of Commerce's Home Electrification and Appliance Rebate (HEAR) program, which provides rebates and incentives for low- and moderate-income households to adopt high-efficiency heating and cooling systems, including any necessary electric upgrades. Eligible electric customers up to 150% of the Adjusted Median Income for your county are eligible. **Please see the chart below to determine if you qualify.**

PUD 1 customers who have already received LIHEAP through Community Action Council or OlyCAP in the last 12 months, can call the office to enroll without resubmitting paperwork. New applicants must complete the attestation form and submit required documentation to prove income levels.
